K Lalmuankima is the eldest son of K Liansanga, born and brought up in Saitual. He was married in the year 2015 to Saingurpuii of Champhai and he has one son. Coming from a family of farmers, farming is a part and parcel of him and it has been the main source of income for the family since long back. The family not only tend livestock but also involve in different kinds of farming including agricultural and horticultural crops. He is a very efficient a hardworking Progressive Farmer.

He has started tending livestock since he was a little boy. The family rears cattle since he was little and has started selling milk door to door from early morning before attending schools. Pig farming has been attached to his family since a very long time but he has started a commercial pig farming since 2018. He has been rearing around 200 pigs in his farm mainly of pig fattener where he would sell the pigs at market age in and around the district and even at different districts of Mizoram. Sadly, due to the endemic African Swine Fever he has lost almost all hi pigs due to this dreading viral disease of pig. Thereafter, he has taken proper measures by applying strict biosecurity in his farm and has not affected his pigs since then.

He was selected as Progressive Farmer in the year 2021 under Pig Breeding Unit under FOCUS Project. He was given training and assistance from the technical staff of the Project. He has completed Construction of Pig Housing which was funded by FOCUS Project under the guidance of Junior Engineer of the project by following drawings from the Guidelines of Pig Breeding Unit. The unit cost of this activity is Rs. 3,07,000/- (Rupees three lakhs seven thousand only) where FOCUS contribution is 50% of the total cost i.e Rs 1,53,500/- (Rupees one lakh fifty three thousand five hundred only). The beneficiary contribution being 50% too.
