

## SUCCESS STORY OF FARMER FOR WATER DELIVERY SYSTEM AT MUALCHENG VILLAGE, SERCHHIP DISTRICT

### PROFILE

**Name of the activity :** Water Delivery System- Pipe

**Village:** Mualcheng

**Name of beneficiary** Mr. Chengkhawsiamama

**Name of FIG:** Settled agriculture & orchard FIG

**No. of unit allotted:** 1 unit (0.5 ha)

**INTRODUCTION:** Mr. Chengkhawsiamama is a Progressive farmer from Mualcheng village and he is a member of settled agriculture & Orchard FIG. In the year 2020 he received 100 banana seedlings' from Mizoram Horticulture department and he bought another 400 seedlings. He have good water source in his land but lack of water delivery system.

**FOCUS INTERVENTION:** From FOCUS project under Irrigation Support he received water delivery system- pipe 300m and bought another 300m with a total of 600m pipe. His family mainly depend on settled agriculture mainly on Banana plantation. From the assistance that he received he could increase his production area which increase his income. He is having more than 3500 banana tree at present and have sustainable income. He is very grateful to FOCUS project.
