

SUCCESS STORY OF FARMER ON CONSTRUCTION OF SUSPENSION BRIDGE

PROFILE

NAME OF VILLAGE: SERCHHIP

NAME OF WORK: SUSPENSION BRIDGE

NAME OF BENEFICIARY: Mr. Liansiama

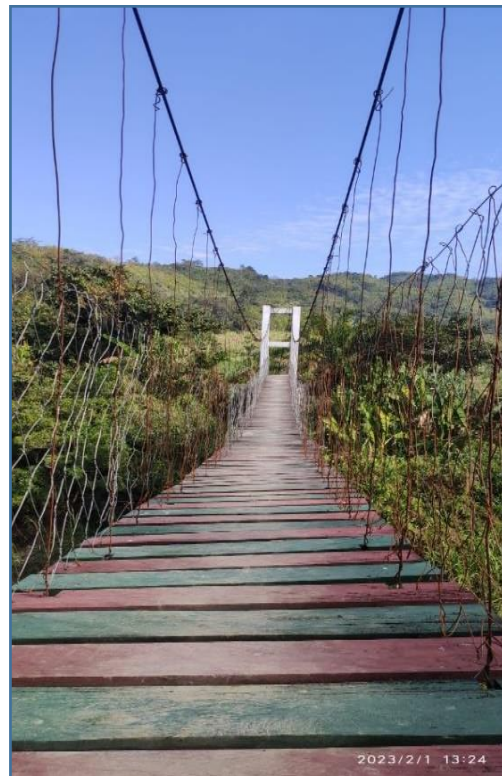

NAME OF FIG: Phunbungpui WRC/TRC FIG

YEAR OF CONSTRUCTION: 2021-22

Mr. Liansiama s/o Lalbawnga is a resident of Bungtlang village, who registered himself under Serchhip Phunbungpui WRC/TRC FIG in 2019. He have started wetland rice cultivation from the year 2000 covering an area of 3 ha located at tuitam zau which is located at 7 km away from the village. He has grown mainly rice and mustard.

The FIG's in the area prioritized construction of bridge as it is the most important durable asset and common interest to all members. The main purpose is to reach their farm land on the other side of Mat river. Moreover, during rainy season there is no way to cross the path due to heavy floods. Due to this cultivation cannot be done. To deal with his problems FOCUS-DMU, had done all the necessary requirements and submitted proposal to PMU, FOCUS-Mizoram. After approval from PMU, FOCUS, works was started from 18.02.2022 and completed on 29th April, 2022.

After construction of Suspension bridge he could continue to cultivate mustard in large scale. Thus, this bridge greatly benefit farmers cultivating in the area all the year round.

Mr. Liansiama of Bungtlang Village
