

## SUCCESS STORY OF FARMER FOR CONSTRUCTION OF GABION BOX FOR STREAM BANK EROSION CONTROL

### PROFILE

**Name of the activity:** Stream Bank Erosion control-Gabion box

**Village:** Chekawn

**Name of beneficiary:** H. Vanlalmangaiha

**Name of FIG:** Sawmfang WRC/TRC FIG

**No. of unit allotted:** 1 unit (0.5 ha)

Pu H. Vanlalmangaiha is from Chekawn who registered himself as member of Sawmfang WRC/TRC FIG and vice president of village council. The location of his paddy field is at thalbul zau. He owned a land near Varhva river which flooded and destroyed crop in that area every year.

**FOCUS INTERVENTION:** To deal with his problem, DMU-Serchhip FOCUS inspected at his field and allotted 1 unit for construction of gabion box under Stream bank erosion control during 2022. After that he never faced flooded by river and also, he can now practice rabi crop cultivation that increase his production. He is very grateful and thanked DMU-Serchhip FOCUS.
