## IFAD | NOTUS

Dear David Golanpianga,

Sriram Sankarasubramaniam has added a comment to the India: 2000001421; N00026183 RFB for Construction of Low Cost Bridge, FOCUS-Mizoram dossier that you have worked on:

Please open the bids for Lot 3 and submit evaluation report and recommendation. The evaluation report should compare the estimated cost from the Admn/Technical approval and compare these with the quoted figures. In case the lowest bid is higher than the estimated cost, compare the bid with the BoQ and conduct a price analysis. In case the bid is lower than the BoQ by over 15%, additional performance security to be obtained.

For other lots, please review and re-advertise to have wider competition.
