

SUCCESS STORY ON CONSTRUCTION OF CHECK DAM UNDER FOCUS-SERCHHIP

PROFILE

Name of Activity: Construction of Check Dam and Water Storage Structure
(Protection of water source)

Name of Village: Lungchhuan

District : Serchhip

Amount : Rs 70,500 per unit (3 units per village)

Lungchhuan is a village in East Lungdar Block in Serchhip District located 40-45 KM from district head quarters Serchhip located on top of the hill. Due to this they have problem in water supply and water harvesting structures that affect cultivation of crops.

FOCUS Intervention: Through Chhuantlangpui CCA FIG, 3 units of Checkdam and Water Storage Structure under Protection of water source was constructed. From this assistance, they have constructed 2 Checkdam combining 2 units in larger sizes and 1 unit for water storage tanky. The stored water are then distributed through pipe which serves as the main source of irrigation and increase availability of water during dry season. Mr. T.Lalrinenga Lead Farmer mentioned than that the stored water are also utilized by neighbouring villages during dry season.

For this reason, the villagers are very grateful and thanked DMU- Serchhip, FOCUS staff.
