

SUCCESS STORY OF FARMER ON EXPANSION OF WRC AREA IN FLAT LAND AT SIALHAU VILLAGE, SERCHHIP DISTRICT

NAME OF VILLAGE: Sialhau

NAME OF ACTIVITY: Expansion of WRC area in Flat land

NAME OF BENEFICIARY: Mr.K.Thanzinga

NAME OF FIG: Tuisangzau WRC/TRC FIG

YEAR OF IMPLEMENTATION: 2022-23

Area covered: 0.5 ha

INTRODUCTION: Mr. K. Thanzinga s/o Hrangdawla is a resident of Sialhau who registered under Tuisangzau WRC/TRC FIG. He practices jhumia by cultivating paddy, vegetables which is their primary source of income. Due to shortage of income he wants to increase his cultivation area by developing suitable flat land for wetland rice cultivation.

FOCUS INTERVENTION: After thorough survey the importance and level of necessity, FOCUS, DMU-Serchhip felt the need to allot 1 unit (0.5ha) of Area Expansion on WRC in Flat land. The intervention was implemented with continual guidance, assessment and physical support from the DMU staffs.

After FOCUS intervention, his production area increases and this provide self sufficiency income and abandoned jhum practices.
