

SUCCESS STORY OF FARMER ON WATER STORAGE & DELIVERY SYSTEM SERCHHIP, SERCHHIP DISTRICT

PROFILE

Name of the activity: Water Storage & Delivery System

Name of Farmer: Thanhnuna

Village: Serchhip

Name of FIG: Ramlai 2 WRC/TRC FIG

District: Serchhip

INTRODUCTION: Mr. Thanhnuna s/o Silaichuha is a resident of Serchhip who registered himself as a member of Ramlai 2 WRC/TRC FIG in 2019. His paddy field is the main source of income which is located at zawlpui, 10 km away from his village. He have a good water source but no proper irrigation channel in his land thus, reducing his rice production.

FOCUS INTERVENTION: Under FOCUS project, 800 ft of irrigation channel was constructed under Irrigation Support. Now he is having sufficient water for his paddy field and also benefitted by nearby areas. Due to availability of water, production of rice also increases. Therefore, after FOCUS intervention his problem was solved and is very grateful to FOCUS project.
