

# SUCCESS STORY OF FARMER ON WATER STORAGE & DELIVERY SYSTEMS AT CHHIAHTLANG, SERCHHIP DISTRICT

## PROFILE

**Name of the activity:** WATER STORAGE TANKY

**Name of Farmer:** R.LALNGHINGLOVA

**Village:** Chhiahtlang

**Name of FIG:** Phawngpui 3 WRC/TRC FIG

**District:** Serchhip

**INTRODUCTION:** Mr. R.Lalnghinglova s/o R.Chalchhinga is a resident of Chhiahtlang village and Chairman of Phawnpui 3 WRC/TRC FIG under DMU-Serchhip, FOCUS. From 1998, his paddy field is the main source of income which is located at savawmkaw lui zau. He mainly grow rice, mustard, pea,brinjal etc. His main problem is scarcity of water due to no proper storage tanky which effect crop production.

**FOCUS INTERVENTION:** Upon hearing his problem, in 2021 DMU- FOCUS allotted one storage tanky under Irrigation Support. After construction, the stored water are fully utilized and his production area increases from 0.5 ha to 1 ha thus, result in increase in production. Therefore, after FOCUS intervention he is having suatainable income and is very grateful to FOCUS project.
