

SUCCESS STORY OF PIGGERY PROGRESSIVE FARMERS
UNDER FOCUS PROJECT

A) Introduction

Mr. Lalfakawma 45 S/O F. Saptawna residing at Bazaar Veng Serchhip is a Piggery Progressive Farmers selected under FOCUS Project. His main source of income is rearing of pig and he has been rearing pig for the 7 years. Unfortunately due to African Swine Fever Virus outbreak he has lost all his sows (5 Numbers) and piglets (21 Piglets). He was unable to rear pig for the last 8 months but after FOCUS intervention he started rearing pigs again and right now he is having 6 numbers of sows and 8 piglets.

B) Project Intervention

Under FOCUS Project he has received fund for construction of pig housing which include farrowing crate and water supply facilities 2000 liters syntax and fund for buying piglets at 50% subsidies rate. He also received chaff cutter along with silage bags and mineral mixture for feeding pigs.

Regular monitoring is done by staff from FOCUS Project and Veterinary Department and he has also received many training regarding about pig rearing management like feeding, care and management of sow, boar and piglets, vaccination system, de-worming, bio-security etc. Priorities are given to the piggery progressive farmers from FOCUS Project and Veterinary Department and if ever they need assistant an immediate respond is given to him.

C) Conclusion:-

After losing all his sows and piglets due to African Swine Fever Viruses he has started rearing Sows from piglets again with the help of FOCUS Project intervention and right now he is rearing 6 sows and 8 piglets.

Recently he has sold 21 piglets @ Rs 7500/piglets and generated an income of about Rs. 78,750 after cutting all the expenses. With the help of FOCUS Project he was able to start pig rearing again and make an income for him and his family.
